SEPTEMBER 2011

PRESIDENTS MESSAGE

Well, Hello Everyone. I missed all of you at the last club meeting. I hope that all went well, and that everyone enjoyed themselves. Well, the summer temperatures in and around Bakersfield should be getting cooler, as the days go by. Hopefully the weather will be cooler on Saturday, Sept. 24, 2011. We will have our W6LIE Club Picnic, and swap meet, and the all important Club Meeting with Nominations for the 2012 Board Year. The W6LIE Club will take nominations and name club members that want to run for the 2012

Board. There are eight Board seats that need to be filled, so we can round out the W6LIE Board of Officers. At the August Board meeting, I asked the three Club Directors, Dave Light, KG6YSZ, and Tim Miller, KI6KHG, and Bobby Jackson, KA6H, make contact with the club members, and ask the membership if they are interested in running, for a seat on the Club's Board of Officers and Directors.

Remember that running for a Board seat, should be about service to your W6LIE Club, and to the Ham Radio Community. I encourage everyone to think about running, and then follow up, and place your name on the nomination ballot, for consideration by the voting club members.

If any Club Member is interested in running for a 2012 Board seat, please contact either Dave, KG6YSZ, or Tim, KI6KHG, or Bobby, KA6H, They will be happy to take your name and place your name on the Club's Nomination Board that will be available on Saturday, Sept. 24, 2011 at Jastro park. Cross streets for the Jastro Park are: Myrtle Street, between Truxtun Ave. and 18th Street.

I have enjoyed four years on the W6LIE Special Service Club. It is time for me to step aside, and have a NEW President for the 2012 year. I will not be running, nor will I accept any W6LIE Board seat nominations. I will be the Past President for 2012 year. It's time for the 2012 Board of Officer's to take our Kern County - Central Valley Amateur Radio Club, Inc. to new heights.....

In closing, Please bring your Old Ham gear out to the Saturday Club Meeting, and sell, or give away your old Ham equipment. Some Ham will be looking for some extra Ham gear. Also bring out some Pot Luck food items. Also bring out some Desserts: Banana Cream Pie, or Coconut Cream Pie, or Apple Pie goes very well after a good Pot Luck lunch.

If you would like to contribute to our Communicator Newsletter, please send Greg, K6GMR, your news item.

Hope to see everyone at Saturday's Club Picnic / Swap Meet / Nominations club meeting... Remember, Saturday, September 24, 2011.

73's to ALL....

Joe L. Luque, K6JLL

New Business:

N6YGG asked the board via e-mail if the club could possibly contribute to an organization that supplies personal items to soldiers serving overseas. K6JLL will find out information about this organization and report back to the board. K6JLL re-instated KF6JOQ as Net Chief at the recommendation of the board. The board heard discussion and voted to approve turning over the annual "Road and Weather Net" to the Western Kern County Emergency Communications Group.
